PRACTICAL GUIDE FOR SOCIAL MEDIA

Your guide to optimise your presence on
social networks

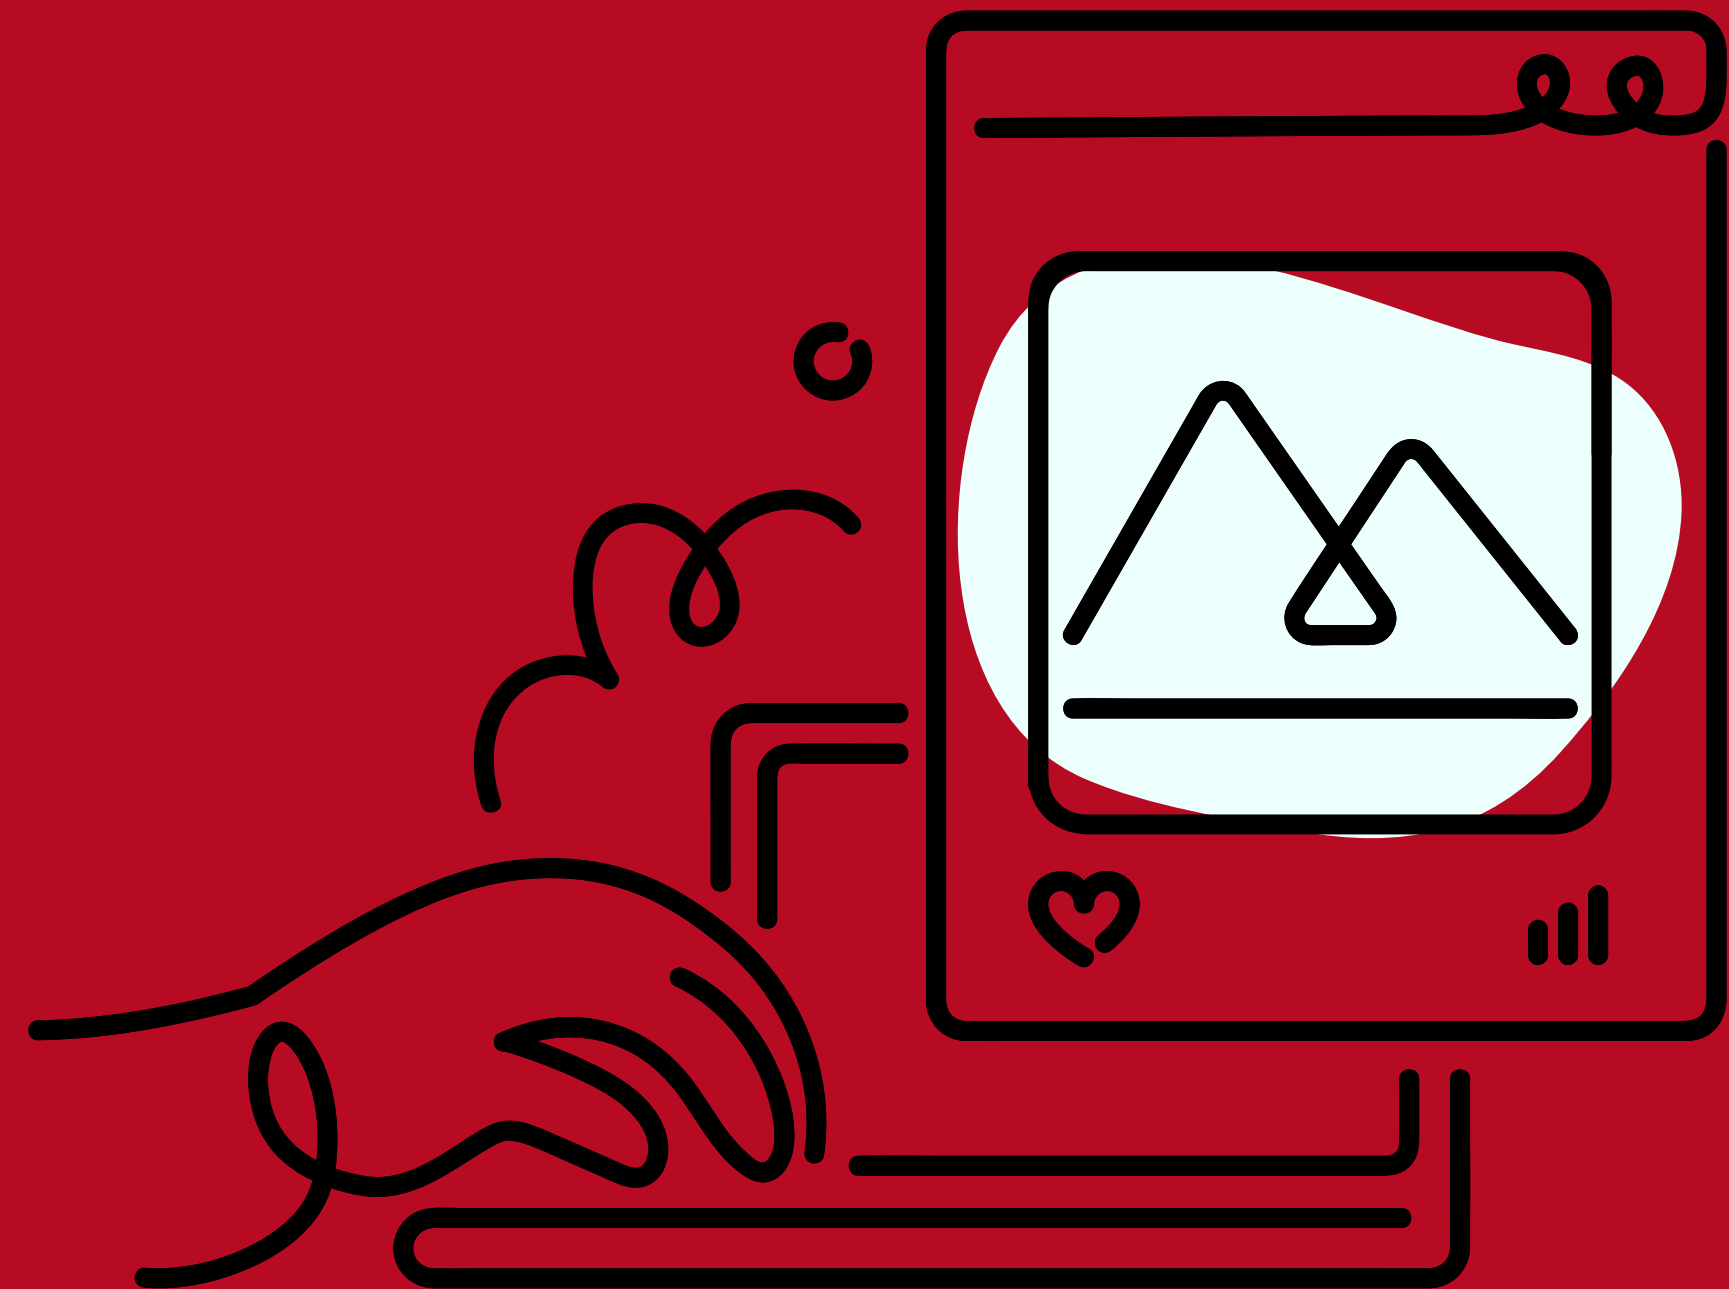

INTRODUCTION

In this best practice guide, we have set out actions to help exhibiting teams promote their attendance at our show.

The goal? Increase your brand visibility at the show, engage your community in advance and invite your prospects and customers to your stand to develop your business network and maximise your ROI.

So here are 6 simple tips to apply for a successful digital experience!

1. INTERACT WITH THE EXHIBITION

Subscribe to the exhibition pages to keep up to date with all the latest show news: program, speakers, events, practical information, videos and behind-the-scenes information, etc.

You can find us on LinkedIn, Facebook, Instagram, X and TikTok

Use our hashtags in order to make your posts visible in the exhibition's feed.

#Batimat2024
#Batimat
#EquipbaieMetalexpo2024
#Equipbaie
#Metalexpo

Tag the exhibition page to notify us about your post. We will be happy to react, like and share your post!

@Batimat (LinkedIn)
@Batimatparis (Facebook)
@batimat_official (Instagram)
@Equipbaie-Métalexpo (LinkedIn)
@Equipbaie-metalexpo (Facebook)

2. GET NOTICED

In order to stand out and increase your chance to be followed, liked and shared by the exhibition, use our official Batimat graphic charter.

All the visuals are available on your exhibitor hub: logos, banners, email signatures, social network illustrations... all the formats are available in the media kit and can be downloaded from now on!

By respecting the show's graphic charter, you'll be maintaining the show's image and officially announcing your participation!

3. PROMOTE YOUR SPEECHES AND EVENTS

You will be giving a speech or a demonstration?
You have planned a special event at the exhibition?

Verbatim, highlights of your speakers or products,
invitation to your cocktail parties... etc.

Promote your program with your audience in order to
increase visitor traffic on your stand!

4. INVITE YOUR CLIENTS AND PROSPECTS

USE YOUR INVITATION LINK!

Invite your prospects and customers by adding your e-invitation link to your communications so that your network can benefit from a free badge.

- Available on your exhibitor hub
- Invitations are unlimited! Make the most of it by inviting your network
- Click on the “copy” button of the invitation link that you would like to use on your communication
- Insert the link in your e-mail campaigns or on social networks
- Follow the validated registrations on your exhibitor hub

5. COMMUNICATE ON YOUR PARTICIPATION

A few examples of posts to highlight your participation at Batimat.

BATIMAT

@Batimat

🌞 We'll be at @Batimat!

🏗️🌐 The multi-specialist and international exhibition for the construction industry and trades! We look forward to seeing you from September 30th to October 3rd 2024 at Paris Expo Porte de Versailles.

Meet us on the 'insert your number' stand to discover our expertise!

🚀 Your free badge: 'add your e-invitation link' #Batimat2024

6. BRING YOUR POSTS TO LIFE

Encourage your employees to react to your communications on social networks: likes, comments, shares... The more reactions there are, the more visibility your post gains and the higher your engagement rates!

Engage your community in a constructive and light-hearted way by replying to comments and creating dialogues and discussions with your audience: an opportunity to demonstrate your expertise and encourage them to continue the exchange on your stand during the show!
